## Rest in Peace to HOTT residents who have passed

Paul was a tenant who had been with HOTT for 24 years, first living in shared housing and then in a one-bedroom apartment. For many years, until he became seriously ill, he was the key resident at his building steadfastly helping us out with keeping the building at a good standard. Many residents will remember meeting Paul at the various events we held over the years. Paul had a lasting positive impact on all who knew him. Rest in Peace, Paul.

Nicole had only been a HOTT tenant for a few years, but our staff team got to know her quite well. Ever since she moved into one of our one-bedroom accessible units, she had maintained independence while having the support of both her fiancé and community resources. We are sad that she passed at such a young age after her health continued to decline. Nicole's upbeat energy was notable and memorable. Rest in Peace, Nicole.
