Staffing Update

Farewell & Good Luck!

HOTT has been very fortunate to have a great staff team. Sadly, it is time to say good-bye to some of our dedicated contract staff. We wish farewell & good luck to, **Leslie, Wumi, Lara, Kedeem & Raymond**. They all contributed greatly in different ways and toward the same goal - the success of our organization and the support of our many residents. We wish you all the very best for your future!

Faithlyn, Housing Support Worker, has decided to move on to other pursuits in her life. We wish her Good Luck!

Welcome!

Warm welcome to **Tsion**, HOTT's contract **Administrative Assistant**. Please say hello when you get the chance...

Message of Thanks from Sam

"I would like to thank HOTT on helping me transition to the next phase in my life. On my road to regain my full independence they are still there to help guide me through the rough patches.

Moving into a new place all alone can be quite stressful. I asked for help with furniture and as I had nothing within a week of moving in, I got set up with the Furniture Bank. A member of HOTT walked me through the whole process and even helped me pick out practical furniture for my new place. Change can be difficult even scary sometimes. That's why I am so glad I have the supports I have through HOTT. I realize since I have been with HOTT that they mean it when they say that they are here to help. Thank you again to all staff at HOTT"
