STAFFING UPDATE

WELCOME!

Say hello to Veda, our new Housing Intern. Veda has just graduated from the University of Toronto and is happy to be joining the HOTT team!

Say hello to Skye, our new Housing Support Worker. Skye has just moved back to Toronto from Vancouver and is excited to be starting her journey here at HOTT!

Here at HOTT, we value affordability, sustainability, and cleanliness. We encourage our tenants to benefit from some of these tried and true cleaning methods which are easy, affordable, and good for the environment. We want you to help you maintain a cost effective, sustainable living space.

CLEANING TIPS:

- Floors Cleaner: Combine a 50/50 mix of water and vinegar.

Using a mop or sponge, apply the solution to tile and clean as you would with any other floor cleaner.

- Tile and Bathtubs Cleaner: In a spray bottle, mix 1 2/3 cup of baking soda with 1/2 cup vegetable oil-based liquid soap. Add in 1/2 cup water and two tablespoons of vinegar to the mixture. Shake well. *Apply with sponge or cloth and rinse thoroughly.*
