OCTOBER 2023

## HAPPY FALL!

Happy fall, everyone!

As the leaves change colour and a chill fills the air, we're all celebrating our vibrant community and the things we're truly thankful for. This season is a time to reflect on the many blessings we've received and to extend our gratitude to those who make our work possible. We are grateful for your support. Your contributions, both in time and resources drive our mission forward. We are thankful for our volunteers and their dedication to serving our community. We are also thankful for our donors: your trust and support makes a difference in the lives of our community members.

How You Can Continue to Make a Difference:

1. Donate: your financial contributions directly support our programs and services.
2. Volunteer: join our dedicated team of governance volunteers and make a tangible difference in our organization.
3. Spread the Word: help us raise awareness by sharing our mission with your network.

Please also enjoy our sections below to see what we have been up to! We recently had our annual HOTT fundraising walk. This year's walk was extra special because we walked from one Hott property to another. This allowed us to experience the local area where our staff work and our residents live. It was wonderful to be able to our community in action and learn the history of our housing in our neighbourhoods. As we start to begin to enter the colder months and think about closing out this year, we are so proud of our continued growth.

On behalf of the entire team, we want to wish you and your loved ones a warm and joyful Thanksgiving and Halloween. May these seasons be filled with moments of love, gratitude, and togetherness.

### RESIDENT SUMMER PARTY

Our annual HOTT Summer Party was a huge success! Special thanks to all the residents that came out to celebrate with us. It is always such a special time when we are all able to get together. We look forward to it again next year!

### HOTT'S ANNUAL GENERAL MEETING

We had our AGM on October 18th. It was lovely to have our members there to support our organization. It was a bitter sweet meeting as we had to say goodbye to Paul, a long-standing Board member. We will miss him dearly and appreciate all of his years of support. We are also very excited to have Bianca, one of our fundraising and marketing Committee volunteers, joining us on the board this year!

### STAY HEALTHY THIS FLU SEASON!

We want to ensure you stay healthy and happy this flu season. Reminder to wash your hands frequently, avoid touching your eyes, nose and mouth and clean and disinfect frequently touched surfaces!

### HELPING HOTT THRIVE!

HOTT has a lot to be thankful for this season as we continue to support our amazing community. If you would like to support us and our mission, please keep us in mind if your workplaces are participating in any annual giving this year. We are happy to provide more information on what we do here at HOTT. We are also always happy to accept new governance volunteers if you are interested in contributing your time to helping our organization thrive!
