

Welcome Spring!

HOTT Resident Pet Feature

Quote from our resident:

"Meet the true rulers of the Mooney household.

May I present Queen Cochise (white cat with black markings) and her evil sorcerous Luna (black cat).

Together they rule the household with an iron claw, demanding constant cuddles, endless treats, and only the best water served from an oversized mug (or fish tank).

Beware all who get on their bad side!"

We are sad to share that a member of our HOTT community has passed away. We honour his memory and his life.

Rest in Peace Giovanni ❤️
