Every Step Counts... Every Home Matters.

🚶 LET'S WALK TOGETHER

HOTT's Annual Fundraising Walk
October 17, 2026 | TCS Waterfront Marathon

There's something special about a community coming together and moving in the same direction — and this October, we're doing just that.

On October 17, HOTT residents, supporters, volunteers, friends, and community members will come together for our Annual Fundraising Walk at the TCS Waterfront Marathon.

Whether you participate in the walk, make a donation, or simply share our fundraiser with someone who cares about affordable housing, you are helping move HOTT forward.

WHY WE'RE WALKING
Housing is receiving more attention than ever, with governments introducing programs and initiatives aimed at supporting affordable and community housing.

We welcome every opportunity that can help strengthen and grow affordable housing — and HOTT is committed to pursuing every funding opportunity that is available to us.

But we also want to be honest about the reality.
Not every funding program is accessible to HOTT, and many available programs provide loans rather than grants. While these programs can create opportunities, they do not replace the need for community support. That is why fundraising remains so important.

Every donation helps us continue our work, support our residents, and build a stronger future for HOTT — while we continue to explore and take advantage of every accessible source of funding along the way. Thank you for being a part of that!

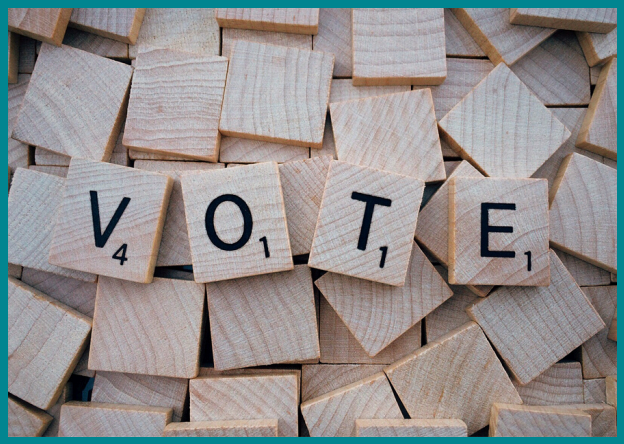

If you are interested in participating in the fundraising walk, you can contact us at info@hott.ca for more information!

TENANT TOWN HALL

🗣️ Resident Voices Matters

Our Tenant Town Hall is an opportunity for residents to come together, share their experiences, ask questions, and stay connected with what is happening across HOTT. We hosted at a new venue this year (Central YMCA). It was very succesful with a great tenant turn out. Thank you to everyone who participated and contributed to the conversation.

MUNICIPAL ELECTION

🗳️ Your Community. Your Voice.

Make your voice count - we know affordable housing matters to our supporters. Toronto's municipal election is a chance to make your voice heard on housing and other issues that affect our communities. Take a moment to learn where candidates stand on affordable housing before casting your ballot.
