

Welcoming the changing of seasons!

As summer comes to an end, the leaves fall, the days shorten, and we are able to reflect on ourselves and the year. This year has not been exactly normal but there is hope on the horizon for returning to what we are used to. We hope you all take care over these winter months.

-HOTT Team

HOTT will be hosting a vaccine pop-up clinic!

Our pop-up COVID-19 vaccination clinic will be open to all HOTT residents.

The clinic is run by Toronto Public Health and will take place at our 269 Jarvis Street property in the 3rd floor social room on Wednesday 17 November 2021 from 5:00pm to 8:00pm. The building is located just north of Dundas Street East on Jarvis Street.

Our HOTT staff will be able to assist with transportation there and back and will reimburse any transportation costs. Please contact us if you require assistance with transportation.

Get your 1st or 2nd dose. OHIP not required.

Rest in Peace Colin

A long-time member of the HOTT community has passed away. Colin served on HOTT's Board for many years as a resident Director and continued to serve on our HOTT committees after his time on the Board. We honour his memory and celebrate his life.

Friendly Reminder!

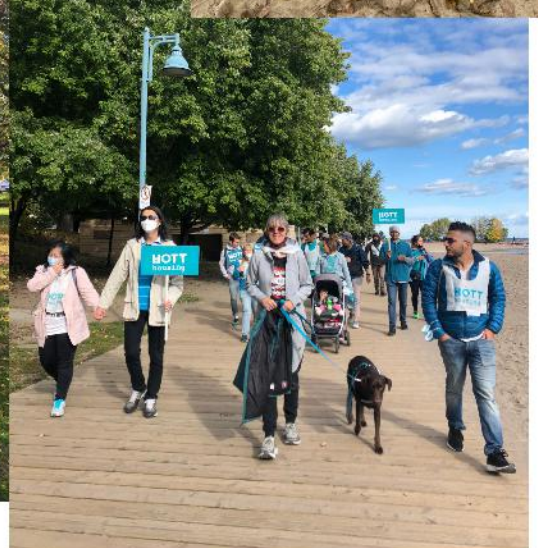

Please NEVER put your kitchen waste down the garbage chute or in the garbage bin. Kitchen waste goes in the GREEN BIN. Examples of kitchen waste: vegetables and fruit remains and/or peel, eggshells and coffee sediments, tea and coffee filter/bags, tainted food, non-liquid cooked food waste, bones, tissues and paper towels. The GREEN BIN is also for some kinds of washroom waste, for example, disposable child and adult diapers.

If you do not have a green bin, please contact staff and we will provide you with one. Thank you for your cooperation!

Introducing the latest additions to our Board of Directors! Meet Hannah, Natasha, and Laura. These inspiring women each bring their unique perspectives to the table. We are so grateful that they have decided to volunteer their time and are thankful for their dedication to helping HOTT thrive.

Check out these amazing photos from our annual HOTT fundraising walk! Our HOTT team got together for the first time in quite a while to walk 5km along the boardwalk. It was a lovely day with even better company. What a blessing it is to have such an amazing community!

We would like to remind you that wearing masks is mandatory. Please continue to wear a mask in all common areas. Keeping each other safe is our top priority. Thank you for your ongoing cooperation.

Care to share?

This newsletter is for you, our residents, and we would love to hear from you!

We are inviting any residents that are interested to submit their personal artwork, writing, photographs, or other creative work to us!

If you are comfortable, we can publish it within the newsletter!

Please contact us if you would like to participate!

Attention: Office Hours

HOTT will not be holding weekly office hours until further notice due to COVID-19.

We are regularly posting flyers with dates of office availability for in person rent payments and/or documents submission. We are practicing strict social distancing protocols in our offices. Please contact staff to meet by appointment. We thank you for your ongoing patience.
