HAPPY
SUMMER

As summer begins, we would like to extend our warmest wishes to you. This season brings longer days, opportunities to enjoy the outdoors, and time to connect with friends, family, and neighbours.

We are proud to be part of a community that values respect, diversity, and belonging. Thank you for helping to make our buildings welcoming places to call home.

Your cooperation, kindness, and community spirit contribute to a safe and supportive environment for everyone. We hope you have a safe, healthy, and enjoyable summer.

HOTT ANNUAL SUMMER PARTY!

WHEN: 4:00PM - 8:00PM ON THURSDAY, AUGUST 20TH

WHERE: ST. MATTHEW'S CLUBHOUSE, BROADVIEW AVE. & GERRARD ST. E - IN RIVERDALE PARK

WHO: HOTT RESIDENTS, FRIENDS, AND FAMILY

WHAT: GAMES, FOOD, AND FUN!

TENANT TOWN HALL

This event was an opportunity for HOTT to hear directly from you, our residents, about your experiences, ideas, and perspectives for how we operate the building you live in. We received some incredible input during our discussion!

A key theme of the discussion was the importance of maintaining clean and welcoming properties. We heard several valuable suggestions for improving garbage collection and waste management practices to help to keep shared spaces tidy and enjoyable for everyone.

Many participants also expressed interest in seeing more community events and gatherings throughout the year. From seasonal celebrations to informal social activities, residents highlighted how these opportunities can help strengthen connections, foster a sense of belonging, and build a vibrant community spirit. We will keep you in the loop!

The meeting also provided an opportunity to recognize and highlight the unique qualities of several of our properties. Residents shared positive experiences and discussed ways to continue enhancing the places they call home.

We appreciate everyone who attended and contributed their ideas. Resident feedback plays an important role in shaping our communities, and we look forward to continuing these conversations and working together to create welcoming, connected neighbourhoods for all.

Did you know?

It has been 18 years since we opened the doors for residents to move into our buildings on Darrell Avenue! HOTT built this property on our own with help from government funding. We are so proud of this building and its residents!

HOTT has a new partnership with the Royal Ontario Museum!

10 Herbs That Root in Water From a Single Cutting

No Soil Until Roots Appear.

Place fresh stems in water into a sunny window and change the water every few days. Once roots develop, enjoy fresh herbs or transplant them into soil for a thriving indoor garden!

Stay Tick-Safe This Season

As the weather warms up, spending time outdoors is one of the best parts of the season. Whether you're hiking, gardening, camping, or simply enjoying your backyard, it's important to protect yourself.

Tips to Help Prevent Tick Bites

- **Wear protective clothing.** Choose long sleeves, long pants, and closed-toe shoes when walking through wooded or grassy areas. Tuck your pants into your socks for extra protection.
- **Use insect repellent.** Apply a repellent to exposed skin, following the product directions.
- **Stay on marked trails.** Avoid walking through tall grass, leaf litter, and dense brush where ticks are commonly found.
- **Check yourself and your family.** After spending time outdoors, carefully inspect your body, children, and pets for ticks.
- **Protect your pets.** Speak with your veterinarian about tick prevention products to help keep your pets safe.

If You Find a Tick

- Remove it as soon as possible using fine-tipped tweezers. Grasp the tick close to the skin and pull upward with steady, even pressure.
- Clean the bite area with soap and water or rubbing alcohol. Watch for symptoms such as a rash, fever, fatigue, or muscle aches, and contact your healthcare provider if you develop any concerning symptoms.

A few simple precautions can help you enjoy the outdoors while reducing your risk of tick bites. Stay safe!
