OCTOBER 2025

HAPPY FALL!

🍁 Happy Fall from HOTT! 🍁

As the leaves begin to change, we're stepping into the season with purpose and passion!

We're excited to share that HOTT is participating in the 2025 TCS Toronto Waterfront Marathon, joining the 5KM walk as part of our annual fundraising event. Our goal? To raise — and exceed — \$15,000 in support of our work housing individuals and families facing homelessness.

This year, our fundraising efforts are rooted in two key themes: dignity and resiliency. These values are at the heart of everything we do — ensuring that our residents are treated with respect and compassion, while we continue to build a strong, adaptable organization that can grow and expand its mission.

We invite you to support us by donating or sharing our fundraising page with your networks. Every step we take, and every dollar you contribute, helps create lasting change.

☀ SUMMER FUN WITH HOTT!

The HOTT Summer Party was a wonderful celebration of community, connection, and sunshine!

It's always a joy to bring together our residents, staff, board members and supporters to share laughs, good food, and great company. Thank you to everyone who helped make the day so special!

🏠 HOTT RECEIVES MURA FUNDING!

We're thrilled to share that HOTT has been awarded funding through the MURA program for the second year in a row!

This vital program allows non-profits to acquire market-rent buildings and keep housing affordable and secure — protecting them from being sold to private sector landlords who may raise rents. Thanks to this support, we're one step closer to expanding safe, stable housing for those who need it most.

💬 VOICES FROM THE COMMUNITY

This summer, one of our amazing student volunteers sat down with HOTT residents to hear their stories and experiences firsthand.

One resident shared:

"I don't know where I would be without HOTT. They've given me a place to live, yes, but more than that, they've given me hope. They've shown me that people care."

🗣️ UPCOMING AGM

Our Annual General Meeting is just around the corner — stay tuned for details! It's a great opportunity to reflect on our progress and look ahead to what's next. We're also excited to welcome new volunteers to our committees!

Your time, energy, and ideas are invaluable, and we're so grateful to have you on board.

Together, we're building a stronger HOTT community!
