## Happy Fall

We hope you are all having a wonderful autumn this year.

As the leaves change colour and a chill fills the air, we are celebrating our vibrant community and the things we are truly thankful for.

This season is a time to reflect on the many blessings we've received and to extend our gratitude to you, our residents.

On behalf of the entire team, we wish that you and your loved ones have a warm and joyful Thanksgiving and fun-filled Halloween.

# HOTT SUMMER PARTY!

Thank you to everyone who attended our summer party this year!

This is one of our favourite events of the year and we cannot wait until another fun day with our wonderful HOTT community next year. We hope you can make it!

## HOTT Annual Fundraising Walk 2023

This year we walked 5km from one HOTT property to another! We explored significant spots in the neighbourhood and learned more about the history of housing in our local area.

Rest in Peace to our HOTT resident, Amlesom, who recently passed away. We honour your memory and celebrate your life.

## Kitchen Tips from the HOTT Team

Keep tomatoes at room temperature to maintain their flavour instead of in the fridge!

Did you know that you can use the edge of a spoon to peel/skin fresh ginger? Try this next time instead of using a knife.

## NEVER put down the kitchen drain

Putting grease or coffee grounds down your sink can clog the drain and cause plumbing back ups for you and your neighbours!

NEVER put these down the drain and this will help to make sure you don't experience plumbing problems in your unit!

Please dispose of grease by letting it harden then putting in the green bin. Coffee grounds can also be put into the green bin.

### Visit one of our HOTT offices to receive free sink catchers!

These can be used for kitchen and bathroom sinks to prevent food, hair, and other debris from clogging your drains and causing back ups.
