JANUARY 2023

Happy New Year!

Hello,

Happy New Year everyone! Sending you and your loved ones lots of love and well wishes as we enter 2023.

As 2022 came to a close, we were reminded of all of the amazing things that we were able to accomplish together this year. This year we were able to help house a refugee family at our new HOTT property, we completed major renovations at our HOTT apartment buildings, we were awarded the TD grant for additional support at non-support-funded properties, we were able to ensure our tenants voices were heard by conducting a new resident survey, we hosted our tenant summer party for the first time since COVID-19, we organized and reached our goal for our Annual Fundraising Walk, and we celebrated a huge milestone for us... **35 years** of providing quality, affordable housing in Toronto!!

None of these things would be possible without our fantastic staff, volunteers, supporters, including YOU!

Our goals for 2023 are to continue increasing our number of units to provide more housing and growing our services to better serve our HOTT community.

Thank you for being on this journey with us, we look forward to another year of serving our wonderful community... soon to be 36 years of providing something no one should ever have to live without...a home.

Wishing you a happy, safe and rewarding 2023!
